

STAR Group Guide 2010-11

Part One

1.4 Board of Trustees

STAR Trustees are legally responsible for STAR's actions and funds as a registered charity and company. They meet every two months to oversee the work of the charity, make sure the finances, staff and other resources are being used well and agree future developments.

Being a Trustee is a voluntary, unpaid role.

Can students become a Trustee?

Yes, we always have Trustees who are STAR members, if you are interested then please contact the national team.
