

Equal Access

Refugee Students Welcome Here

STAR CAMPAIGN BRIEFING

February 2010

People seeking asylum do not have the same right to university education as their British born peers. As a student network STAR believes that this is wrong and that we are in a unique position to challenge this injustice.

STAR is campaigning to ensure that asylum seekers have equal access to higher education and can join us at university as equals.

Barriers to Higher Education

Fees & living costs

Asylum seekers and some refugees are classed as overseas students and must pay fees of up to £20,000 per year instead of the current "home fee" rate of £3,225.

Asylum seekers cannot afford these fees or living costs because they are:

- ★ Denied permission to work in the UK
- ★ Not allowed to apply for student loans
- ★ Not allowed to apply for grants and most bursaries

Campaign Aim

STAR is calling on the Vice-Chancellors of universities in England and Wales to:

- ★ Accept asylum seekers as home students for fee purposes or offer to remit fees in full
- ★ Provide bursaries and grants each year to asylum seeking students

What your STAR group can do

1. Find out about your university's policy
2. Get your Student Union's support
3. Raise awareness among other students during 'Action for Refugees Week'
4. Write to your Vice-Chancellor
5. Meet with your Vice-Chancellor to agree policy change
