

STAR's New National Campaign 2008/09 Campaign Consultation Evaluation and Feedback Form

This feedback table has been prepared to inform a discussion in your STAR group about the 3 proposals for a new national campaign by STAR in 2008/09. The views of all STAR members are valuable

The tables below detail the criteria with which we would like you to assess the three potential campaigns for the academic year of 2008/09. Following the discussion in your group, please rate the 3 campaigns in order, on the criteria below; so that one campaign receives 3 points, another campaign receives 2 points and so on. Please add any additional information that you think is important in the space provided below.

This is your opportunity to contribute to the decision of STAR's campaigning future, and your views are essential to helping us make our final decision so please tell us what you think!

Which of the campaigns:	Destitution of Children	Right to Work	Section 4
Is of major concern to you?			
Is a clear moral outrage?			
<u>Inspires</u> you to take action?			
Provides an accessible and clear message to communicate to other students?			
Identifies a simple, specific desired change?			

Which of the campaigns:	Destitution of Children	Right to Work	Section 4
Is most <u>effective</u> in focusing on the root cause of the problem and its solutions?			
Best fits with your local activities or interests as a STAR group (e.g. local campaigns etc)?			
Provides the best opportunity for securing support from Students Union, Local MPs, Local Voluntary and Refugee groups?			
Provides the best opportunity for organising campaign activities on campus?			
Appears most winnable?			

Please let us know any further comments you might have. Use the space below to tell us any ideas you have for campaign actions, activities stunts and events

Which local organisations and university societies do you think might be interested in campaigning with you locally?

- **Destitution of Children:**

- **Right to Work:**

- **Section 4:**
